

HONOR GUARD

MFRD has a nationally ranked Honor Guard. Our team placed first at the Fire Department Instructors Conference in Indiana in March 2012. MFRD's Honor Guard posts colors at several events throughout the year. Check them out!

SPECIAL EVENTS TEAM

MFRD is now proud to offer a Special Events Team. The purpose of the team is to provide service excellence by engaging the community, educating the public on

fire and life safety, and promoting a positive image for the City and

the department. The team has a large red tent with MFRD display, take-a-way items, and a misting tent with cooling fans for the hotter months.

If you would like the Special Events Team to set up at your next event, please contact Team Coordinator Tracy Summar at 615-893-1422.

Ready 24/7

Murfreesboro Fire & Rescue Department is prepared to help the citizens of Murfreesboro 24 hours a day, 7 days a week, day or night, in any weather. Every day our firefighters save lives, homes, and other property.

We are proud to be a part of the City's Service Excellence initiative.

Please don't hesitate to call if you need us !!!

MURFREESBORO FIRE & RESCUE DEPARTMENT

**ON DUTY
24/7
TO SERVE YOU!**

Department Summary

The mission of Murfreesboro Fire & Rescue Department is to deliver the highest level of emergency response with the greatest margin of safety in the most fiscally responsible way. Personnel are dedicated to providing progressive fire protection, rescue, medical first responder, codes enforcement and inspection, and public fire safety education. The Department also provides the community with a coordinated and planned response to natural and man-made disasters.

MFRD maintains an Insurance Services Office (ISO) rating of Class 2, placing the department in the top 1% of fire protection agencies in the United States. Nine stations and 187 personnel provide fire suppression, medical first responder, rescue, hazardous materials response, inspections, plans review of commercial structures, and public education on a full time basis.

The department is organized into four divisions: Administration, Fire Suppression and Emergency Response, Prevention, and Training.

The **Administrative Division** is responsible for day-to-day management and supervision of the fire department; oversees, directs, and evaluates fire suppression and emergency response, fire prevention, and training; assures operational readiness with proper staffing, equipment and training, fire suppression and emergency response, fire prevention, and training; it also is

responsible for general policies and administration for the protection of life and property, evaluates needs and makes recommendations on facilities, apparatus, and equipment and plans capital improvement projects and timelines for implementation.

The **Fire Suppression and Emergency Response Division** is responsible for the 24-hour per day provision of emergency services including medical first responder, extrication, structure fires, hazardous materials response, structural collapse response, water rescue, and major disasters.

The **Fire Prevention Division** provides fire inspection, codes enforcement and site plans review and approval. The Division conducts investigations to determine the origin and cause of fires, and receives and distributes smoke detectors within the City. The division leads in the education of youth and adults in fire prevention and safety

through programs such as “Freddie the Fire Truck,” the Fire Safety house, and participation in National Fire Prevention Week.

- ✓ Smoke
- ✓ Alarms
- ✓ For
- ✓ Everyone

Murfreesboro Fire & Rescue Department acquired 2,500 dual detection (photoelectric and ionization) smoke alarms in February 2012 through a FEMA Assistance to Firefighters Grant. The combination alarms detect both flaming and smoldering fires. The department also obtained 100 audio/visual and 100 “bed shaker” alarms for the elderly, disabled, and hearing impaired. MFRD will issue and install these alarms free of charge to the citizens of Murfreesboro. *If you are interested in obtaining a smoke alarm from MFRD, please call 615-893-1422.*

The **Training Division** provides fire, medical, rescue, hazardous material and leadership training to meet all department, state, and federal standards. It conducts daily training to ensure that responding personnel are competent in their duties, safe in the manner of their response, and productive under difficult circumstances.
